People who need rehabilitation often have limited mobility, which can make traveling to seek medical treatment time-consuming. Our hospital has partnered with the Kaohsiung City Transportation Bureau and Kaohsiung Passenger Transport to introduce the "**Medical Express Customs Clearance Service**," which aims to provide faster and more efficient medical services to the public.

The Rapid Clearance Process is as follows:

1

Arrival at our hospital:

For initial consultations, please go to the volunteer service desk for assistance.

2

Clinic visit:

After checking in with your National Health Insurance IC Card, you will be called in order of priority.

3

Payment:

Please proceed to Special Needs Counter (Counter 4) on the first floor or use the automatic payment machine..

4

Blood draw:

Please proceed to Special Needs Counter (Counter 6)

5

X-ray examination:

Check in at the Imaging Medical Department counter, where you will be called in order of priority.

6

Pharmacy:

Please proceed to Special Needs Counter (Counter 5) to collect medication.
